RE: Osinoff General Contractors

Dear Leslie,

I would like to express my appreciation for your professionalism and thoroughness that your staff and crew demonstrated in helping us out on a last minute project. Annette was most helpful in getting this taken care of. Leslie Osinoff, the general contractor, was most impressed with the quality of your work.

I'm sure we will be calling upon you in the future to help us take care of our clients and will receive the same expert service you have provided us before.

Sincerely,

Ken Griffin,
Osinoff General Contractors, Inc.
