Re: Letter of Recommendation for WBE

To Whom It May Concern:

My experience with Hunter Best Cleaning has been exceptional. I have found their attitude is that the customer always comes first. When I need extra attention they come through in addition to their workmanship being first class.

I have no hesitation in recommending Hunter Best Cleaning to anyone who has similar construction clean up needs.

I am pleased to be able to give my most sincere recommendation to Hunter Best Cleaning, Inc.

Sincerely

Jonathan Pardes
